Name or Organisation : CPRE Hertfordshire

Paragraph Policy

4. Do you believe the Local Plan &/or its sustainability appraisal is:

(1) Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
(2) Sound	Yes	<input type="text"/>	No	<input checked="" type="checkbox"/>
(3) Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

If you have entered No to 4.(2), continue with Q5, otherwise please go straight to Q6

5. Do you consider the Local Plan is **unsound** because it is **NOT**:

(1) Positively Prepared (it is not providing a strategy which, as a minimum, seeks to meet the area's objectively assessed needs; and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and is consistent with achieving sustainable development)	<input type="text"/>
(2) Justified (it is not an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence)	<input checked="" type="checkbox"/>
(3) Effective (not deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground)	<input type="text"/>
(4) Consistent with national policy (not enabling the delivery of sustainable development in accordance with the policies in this Framework)	<input checked="" type="checkbox"/>

6. Please give details of why you consider the Local Plan &/or its sustainability appraisal **is** or **is not** legally compliant, unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan &/or its sustainability appraisal or its compliance with the duty to cooperate, please use this box to set out your comments.

Whilst supporting the sentiments expressed in the main sections of this Policy, CPRE Hertfordshire has concerns and objections to some of the content as follows:

- 1) Bullet point 4 on management of the Green Belt seeks use for recreational purposes, but this should be subject to a caveat limiting such development to 'open' and such other uses that do not require major built development that would adversely affect the openness of the Green Belt, one of its two key characteristics as defined by national Planning policy.
- 2) CPRE Hertfordshire strongly objects to the wording of paragraphs 4 and 5 of the Policy, which proposes construction of schools (categorised as inappropriate development in the Green Belt by national policy), without the demonstration that exceptional circumstances exist for them to be removed from the Green Belt. The bald statement that such development within the sites remaining in the Green Belt 'is considered in principle to demonstrate very special circumstances' is not consistent with national Green Belt policy.
- 3) CPRE Hertfordshire has similar concerns about paragraph 6 of the Policy in respect of transport infrastructure, which should also be demonstrated to be either 'appropriate' in the Green Belt, or that very special circumstances actually exist for such development, rather than a simple assertion.

(Continue on a separate sheet if necessary)

7. Please set out what modification(s) you consider necessary to make the Local Plan &/or its sustainability appraisal legally compliant or sound. Please have regard to any answer you have given at 5 and 6 above. (NB: Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan &/or its sustainability appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Policy should be reworded to address the above comments.

(Continue on a separate sheet if necessary)

Please note: Your representation should cover succinctly all the information, evidence and supporting information necessary to support and justify the representation and the suggested change. There will not normally be a subsequent opportunity to make further representations.
After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

8. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

9. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:
