Part B – Please use a separate sheet for each representation

Name or Organisation : CPRE Hertfordshire

3. Please give the number or name of the Paragraph or Policy your comment relates to. Documents can be found at the following links:

Paragraph

Policy

4. Do you believe the Local Plan &/or its sustainability appraisal is:

- | | | | | |
|--|-----|----------------------|----|-------------------------------------|
| (1) Legally compliant | Yes | <input type="text"/> | No | <input type="text"/> |
| (2) Sound | Yes | <input type="text"/> | No | <input checked="" type="checkbox"/> |
| (3) Complies with the Duty to co-operate | Yes | <input type="text"/> | No | <input type="text"/> |

If you have entered No to 4.(2), continue with Q5, otherwise please go straight to Q6

5. Do you consider the Local Plan is **unsound** because it is **NOT**:

- | | |
|---|-------------------------------------|
| (1) Positively Prepared (it is not providing a strategy which, as a minimum, seeks to meet the area's objectively assessed needs; and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and is consistent with achieving sustainable development) | <input type="text"/> |
| (2) Justified (it is not an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence) | <input checked="" type="checkbox"/> |
| (3) Effective (not deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground) | <input type="text"/> |
| (4) Consistent with national policy (not enabling the delivery of sustainable development in accordance with the policies in this Framework) | <input checked="" type="checkbox"/> |

6. Please give details of why you consider the Local Plan &/or its sustainability appraisal **is** or **is not** legally compliant, unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan &/or its sustainability appraisal or its compliance with the duty to cooperate, please use this box to set out your comments.

In the knowledge that an Inspector appointed to examine the Plan will not be able to formally recommend modifications to the 'Local Plan Policies Map' CPRE Hertfordshire nevertheless wishes to point out that the Map provided by the Council shows two very large areas of Green Belt, one east of Hemel Hempstead, and one at Park Street as 'Transport Strategy (improvements in Green Belt)' referring to Policy L18.

Unfortunately Policy L18 merely refers to two potential projects that are not included in any adopted Plan and cross refers to 'the IDP', apparently the 2016 Infrastructure Delivery Plan. Policy S6 (xi) refers to Transport network improvements and a 'park and rail facility' at Park Street, but the area shown would double the current built up area of Park Street with a major impact on the Green Belt, effectively merging the proposed 'new village' there with the existing village.

The area of Green Belt shown in both cases has not been shown to be necessary, and is not made clear in Policy S6, and both are considered to be unjustified by supporting evidence and contrary to national policy.

(Continue on a separate sheet if necessary)

7. Please set out what modification(s) you consider necessary to make the Local Plan &/or its sustainability appraisal legally compliant or sound. Please have regard to any answer you have given at 5 and 6 above. (NB: Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan &/or its sustainability appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The two areas shown on the Policies Map should be deleted, and any individual schemes that are promoted by the Council or the transport infrastructure providers in due course dealt with through the relevant development management process in the context of national planning policy.

(Continue on a separate sheet if necessary)

Please note: Your representation should cover succinctly all the information, evidence and supporting information necessary to support and justify the representation and the suggested change. There will not normally be a subsequent opportunity to make further representations.
After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

8. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?
