Paragraph Policy

4. Do you believe the Strategic Local Plan &/or its sustainability appraisal is:

(1) Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
(2) Sound	Yes	<input type="text"/>	No	<input checked="" type="text" value="√"/>
(3) Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

If you have entered No to 4.(2), continue with Q5, otherwise please go straight to Q6

5. Do you consider the Strategic Local Plan is **unsound** because it is **NOT**:

(1) Positively Prepared (it is not prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements)	<input type="text"/>
(2) Justified (it is not the most appropriate strategy, when considered against the reasonable alternatives, based on a proportionate evidence base)	<input checked="" type="text" value="√"/>
(3) Effective (the plan is not deliverable over its period and based on effective joint working on cross-boundary strategic priorities)	<input checked="" type="text" value="√"/>
(4) Consistent with national policy	<input checked="" type="text" value="√"/>

6. Please give details of why you consider the Strategic Local Plan &/or its sustainability appraisal **is** or **is not** legally compliant, unsound or fails to comply with the duty to co-operate. Please be as precise as possible.
If you wish to support the legal compliance or soundness of the Strategic Local Plan &/or its sustainability appraisal or its compliance with the duty to cooperate, please use this box to set out your comments.

The second underlying objective of the Plan, set out in Paragraph 3.14 is not consistent with the NPPF as stated. The NPPF specifically states that Local Plans should seek to meet development needs, '*unless specific policies in this Framework indicate development should be restricted*', (paragraph 14) including policies relating to '*land designated as Green Belt*' (footnote 9). Hence the Plan's second underlying objective should be to only meet development needs in so far as is consistent with sustainable development principles including maintaining the Green Belt (not Green Belt 'policy').

The Plan is unlikely to be effective if based on flawed objectives, and the departure from NPPF policy is not justified by any explanatory text in the Plan.

(Continue on a separate sheet if necessary)

7. Please set out what modification(s) you consider necessary to make the Strategic Local Plan &/or its sustainability appraisal legally compliant or sound. Please have regard to any answer you have given at 5 and 6 above. (NB: Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Strategic Local Plan &/or its sustainability appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The text of paragraph 3.14 should be amended as outlined in section 6 above

(Continue on a separate sheet if necessary)

Please note: Your representation should cover succinctly all the information, evidence and supporting information necessary to support and justify the representation and the suggested change. There will not normally be a subsequent opportunity to make further representations.

After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

8. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?
