Paragraph  Policy

4. Do you believe the Strategic Local Plan &/or its sustainability appraisal is:

(1) Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
(2) Sound	Yes	<input type="text"/>	No	<input checked="" type="text" value="√"/>
(3) Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

**If you have entered No to 4.(2), continue with Q5, otherwise please go straight to Q6**

5. Do you consider the Strategic Local Plan is **unsound** because it is **NOT**:

- |   |   |
|---|---|
| (1) Positively Prepared (it is not prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements) | <input type="text"/>                      |
| (2) Justified (it is not the most appropriate strategy, when considered against the reasonable alternatives, based on a proportionate evidence base)  | <input checked="" type="text" value="√"/> |
| (3) Effective (the plan is not deliverable over its period and based on effective joint working on cross-boundary strategic priorities)               | <input checked="" type="text" value="√"/> |
| (4) Consistent with national policy   | <input checked="" type="text" value="√"/> |

6. Please give details of why you consider the Strategic Local Plan &/or its sustainability appraisal **is** or **is not** legally compliant, unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Strategic Local Plan &/or its sustainability appraisal or its compliance with the duty to cooperate, please use this box to set out your comments.

Whilst the policy states that the Green Belt '*will be protected from inappropriate development*' and that '*the essential characteristics of the Green Belt are its openness and permanence*', which CPRE Hertfordshire supports, the policy goes on to state that '*Green Belt boundary changes will be made as a result of the SLP Development Strategy*' (changes that would facilitate 4,000 houses on land designated as Green Belt).

These statements are incompatible. The SLP Development Strategy, would fail to protect the Green Belt from inappropriate development, and would result in the loss of 'permanent' Green Belt, in both cases without the explicit required demonstration of exceptional circumstances to justify such action.

The last paragraph of the Policy, states the intention to exclude land east of Hemel Hempstead '*on the basis of the possible need for expansion of Hemel Hempstead beyond the plan period (post 2031)*' beyond the Broad Locations proposed in that area. This would have an even greater negative impact on the Green Belt and countryside, and removal of land from the Green Belt for such a speculative purpose is not justified by the Plan's supporting documentation and is contrary to the Plan's stated commitment to protect the Green Belt from inappropriate development set out in paragraph 5.5 of the Plan. Any such long term proposal beyond 2031 should be debated in the context of a future review of the Plan.

Please also see CPRE Hertfordshire's representations on both Sections 4 and 6 on the Plan, which address related aspects of the Plan.

(Continue on a separate sheet if necessary)

**7.** Please set out what modification(s) you consider necessary to make the Strategic Local Plan &/or its sustainability appraisal legally compliant or sound. Please have regard to any answer you have given at 5 and 6 above. (NB: Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Strategic Local Plan &/or its sustainability appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The references to changes to Green Belt boundaries to allow the removal of major sites for development at the four Broad Locations should be removed from Policy SLP2

(Continue on a separate sheet if necessary)

**Please note:** Your representation should cover succinctly all the information, evidence and supporting information necessary to support and justify the representation and the suggested change. There will not normally be a subsequent opportunity to make further representations.

**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

**8.** If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No

Yes

**9.** If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Participation is necessary to explain CPRE Hertfordshire's related objections to the Plan's Strategy, Housing Target, development proposals and relevant text in the context of NPPF policy for the Green Belt.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
