Paragraph  Policy

4. Do you believe the Strategic Local Plan &/or its sustainability appraisal is:

(1) Legally compliant	Yes	<input type="text"/>	No	<input type="text"/>
(2) Sound	Yes	<input type="text"/>	No	<input checked="" type="text" value="√"/>
(3) Complies with the Duty to co-operate	Yes	<input type="text"/>	No	<input type="text"/>

**If you have entered No to 4.(2), continue with Q5, otherwise please go straight to Q6**

5. Do you consider the Strategic Local Plan is **unsound** because it is **NOT**:

(1) Positively Prepared (it is not prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements)	<input type="text"/>
(2) Justified (it is not the most appropriate strategy, when considered against the reasonable alternatives, based on a proportionate evidence base)	<input checked="" type="text" value="√"/>
(3) Effective (the plan is not deliverable over its period and based on effective joint working on cross-boundary strategic priorities)	<input type="text"/>
(4) Consistent with national policy	<input checked="" type="text" value="√"/>

6. Please give details of why you consider the Strategic Local Plan &/or its sustainability appraisal **is** or **is not** legally compliant, unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Strategic Local Plan &/or its sustainability appraisal or its compliance with the duty to cooperate, please use this box to set out your comments.

Policy SLP6 states that the Detailed Local Plan will ‘*provide an element of flexibility*’ to assist expansion of schools in the Green Belt. Such action is contrary to National Planning Policy and is not justified by any evidence in the Plan. Any Local Plan proposals for inappropriate development in the Green Belt have to be accompanied by a demonstration that ‘exceptional circumstances’ exist for such proposals, or the Plan should set out the requirement that ‘very special circumstances’ must be demonstrated at the planning application stage for any such proposal.

Similarly the Policy should not state that locations in the Green Belt for new secondary schools ‘*will be identified in the DLP*’. Such action pre-judges the future planning and education context that may apply when the DLP is prepared, and would be contrary to national Planning Policy for protection of the Green Belt, unless exceptional circumstances are demonstrated by the DLP.

References in the Policy to expansion of Oaklands College may need to be reconsidered in the context of final decisions on the proposed East of St Albans Broad Location.

7. Please set out what modification(s) you consider necessary to make the Strategic Local Plan &/or its sustainability appraisal legally compliant or sound. Please have regard to any answer you have given at 5 and 6 above. (NB: Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Strategic Local Plan &/or its sustainability appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The reference to flexibility in application of Green Belt policy in SLP6 should be removed, together with intention that the DLP allow sites for schools in the Green Belt.

(Continue on a separate sheet if necessary)

**Please note:** Your representation should cover succinctly all the information, evidence and supporting information necessary to support and justify the representation and the suggested change. There will not normally be a subsequent opportunity to make further representations.  
**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

8. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No

Yes

9. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Participation is necessary to explain CPRE Hertfordshire's related objections to the Plan's Strategy, Housing Target, development proposals and relevant text in the context of NPPF policy, particularly for the Green Belt.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

10. Do you wish to be notified of any of the following? Please mark all that apply.

(a) when the Strategic Local Plan has been submitted	√
(b) when the Inspector's Report is published	√
(c) when the Strategic Local Plan is adopted	√

Please note that all responses will be held by the Council in accordance with the Data Protection Act 1998.
