Paragraph  Policy

4. Do you believe the Local Plan &/or its sustainability appraisal is:

- |  |     |                      |    |                                     |
|--|-----|----------------------|----|-------------------------------------|
| (1) Legally compliant                    | Yes | <input type="text"/> | No | <input type="text"/>                |
| (2) Sound                                | Yes | <input type="text"/> | No | <input checked="" type="checkbox"/> |
| (3) Complies with the Duty to co-operate | Yes | <input type="text"/> | No | <input type="text"/>                |

**If you have entered No to 4.(2), continue with Q5, otherwise please go straight to Q6**

5. Do you consider the Local Plan is **unsound** because it is **NOT**:

- |   |                                     |
|---|-------------------------------------|
| (1) Positively Prepared (it is not providing a strategy which, as a minimum, seeks to meet the area's objectively assessed needs; and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and is consistent with achieving sustainable development) | <input type="text"/>                |
| (2) Justified (it is not an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence)   | <input checked="" type="checkbox"/> |
| (3) Effective (not deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground)   | <input type="text"/>                |
| (4) Consistent with national policy (not enabling the delivery of sustainable development in accordance with the policies in this Framework)  | <input checked="" type="checkbox"/> |

6. Please give details of why you consider the Local Plan &/or its sustainability appraisal **is or is not** legally compliant, unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan &/or its sustainability appraisal or its compliance with the duty to cooperate, please use this box to set out your comments.

Whilst we recognise that these two locations in the Green Belt referred to in the Policy are primarily previously developed sites, we strongly oppose the support given by the Policy for their possible future extension further into the Green Belt. Such support is contrary to national Green Belt policy, and by definition is not justified by the existence of very special circumstances at the present time.

We note that there is currently no reference to relevant Green Belt constraints in the sections of the Policy for either site, which we consider to be unsound.

CPRE Hertfordshire therefore seeks the removal of any reference to expansion of either site beyond that defined on the Policies Map, and a statement included in the Policy that very special circumstances will need to be demonstrated for any development at the site that would result in the reduction in the openness of the Green Belt in accordance with paragraph 145 of the NPPF.

(Continue on a separate sheet if necessary)

**7. Please set out what modification(s) you consider necessary to make the Local Plan &/or its sustainability appraisal legally compliant or sound. Please have regard to any answer you have given at 5 and 6 above. (NB: Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan &/or its sustainability appraisal legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

Please see our comments above on changes we would like to see to the Policy.

(Continue on a separate sheet if necessary)

**Please note:** Your representation should cover succinctly all the information, evidence and supporting information necessary to support and justify the representation and the suggested change. There will not normally be a subsequent opportunity to make further representations.  
**After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

8. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination?

No

Yes

9. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

We would wish to participate in any discussion at the examination of the Policy in respect of either of these sites because of the potential impact on the Green Belt.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

10. Do you wish to be notified of any of the following? Please mark all that apply.

(a) when the Local Plan has been submitted	Yes
(b) when the Inspector's Report is published	Yes
(c) when the Local Plan is adopted	Yes

Please note that all responses will be held by the Council in accordance with the General Data Protection Regulation 2018. Your name and comments will be made available to the public through an online consultation portal, in council committee papers and as otherwise considered appropriate by us. Your address, email address and telephone number will never be able to be viewed by the public through the online consultation portal.
